## Pennsbury Scholarship Foundation Donor Giving Program

The Pennsbury Scholarship Foundation (PSF) Donor Giving Program encourages people/businesses from within our community to give financial support to Pennsbury High School graduates who pursue higher education and strive to make a positive impact on our world. Donors are recognized as circle members in accordance with their level of giving. Donors who reach the Medill Bair Circle, the highest member recognition circle, may choose to have the accumulated money given as a one-time award, or continue donating toward an Endowed Namesake Scholarship.

Congratulations! All donors who contributed to PSF during our jubilee anniversary celebration (2016 to 2017) will be considered "founding members."\* Please consider joining our generous supporters as a member of the PSF's sustaining donor program to increase the award giving possibilities for Pennsbury High School graduates.
