Operated by  Marathon Health

As previously announced, the DVHT Health Center vendor, Cerner Workforce Health Services, announced they were acquired by Marathon Health, one of the industry's leading providers of employer-sponsored healthcare.

Effective November 7, 2023, Marathon Health will take over management of the DVHT Health Center located at 719 Dresher Road, Horsham, PA. The commitment to the health and well-being of our members remains our number one priority. There are **no changes to the clinical care team including providers (doctors) and staff at DVHT Health Center** or the level of care you have come to expect. You should experience no disruption in your healthcare.

With little or no wait time for appointments and longer visit times with providers, patients at Marathon Health often see significant improvements in their overall health. We encourage you to visit the Marathon Health website and read the stories of patients who have benefited from the care at Marathon Health centers at <https://www.marathon-health.com/member-success-stories/>.
