February 16, 2017

Greetings!

We are excited to announce that we are now offering online registration through FamilyID ([www.familyid.com](http://www.familyid.com)). **Going forward, this will be the primary method of registering students for interscholastic athletics at Pennsbury High School, eliminating much of the required PIAA Physical paperwork that gets turned in yearly.** FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. **You enter your information only once for each family member for multiple uses and multiple programs.**

**For the Spring 2017 season, we are asking that all parents/guardians register their child(ren) with FamilyID even if you turned in a completed paper physical packet. This will allow us to have accurate team rosters and check student academic eligibility.**

**INFORMATION NEEDED TO REGISTER:**

It will be helpful to have the following information handy to allow for accurate completion of your online registration.

- Student ID # (unless you are a student at Bucks Co Technical High School)
- Primary Care Physician contact information
- Insurance carrier information
- Names of any current prescription medications
- Digital copy of PIAA CIPPE Section 6 (if physical was done prior to registering)
