“Linking the Arts to Learning”

Dear Pennsbury Educator:

Do you have an innovative idea about integrating the arts into your classroom but don't have the funds to do so? The Pennsbury Arts Foundation wants to support your exciting initiatives with its PAF Grant Program. Our mission is to enhance the quality of education of the district's students and faculty by fostering the growth and development of the visual and performing arts within the district.

The PAF Grant Program is open to kindergarten through 12th grade teachers. Each teacher must be the primary applicant, although collaborations with educators, artists, arts organizations, parents, and community groups are encouraged.

This year we are increasing the PAF Grant Program offerings to **\$600** for in-school projects that take place throughout the year. Proposals must be submitted to the Pennsbury Arts Foundation office, 134 Yardley Avenue, Fallsington, PA 19058. Awardees will be notified by letter within one week of PAF Board approval. **Grants for the 2024/2025 school year are due November 1, 2024 online to momnyla@aol.com, or to PAF mailbox in Fallsington.**

Funds may be awarded for:

- Developing new or original curriculum or curriculum-related activities
- Encouraging new partnerships or collaborations with educators, artists, and organizations that strengthen Pennsbury's commitment to arts education or integrate the arts in any curriculum area
- Designing innovative approaches, methods, teaching or assessment strategies in arts education, or in integrating arts in the curriculum
- Creating innovative professional development models using the arts.

The application form follows.

If teachers become aware of a program after the schedule deadline, grants will be considered if additional funds are available.

Teachers who are awarded grant monies are **required** to submit a brief evaluation form within seven days of the completion of the project.

Funds may not be used for ongoing programs or for programs that are not curriculum related or integrated.

Purchase of supplies or equipment not related to the content of the proposed project, or costs normally paid by the school are not covered. Student transportation costs to a program or performance will not be covered.

If you should have any questions regarding the completion of the enclosed proposal, please contact Pennsbury Arts Foundation Board Member Nyla Houser at 215-369-1660 or email at momnyla@aol.com.
