ARTICLE 1 - RECOGNITION

The Board recognizes the Association as the exclusive representative for purposes of collective bargaining as that term is defined in Act 195 for all Bargaining Unit Members as certified by the Pennsylvania Labor Relations Board in Case No. PERA-R-88-3-E, and as amended on February 20, 1991, provided that this Article shall not confer any implied rights upon either party beyond those which are set forth in the express language of this Agreement. The Agreement recognizes the fact that the educational support staff has an interest in the educational objectives of the School District.

ARTICLE 2 - DEFINITIONS

2-1. The term "District" when used in this Agreement shall mean the Pennsbury School District, its Board of School Directors, and its authorized administrators and management officials.

2-2. The term "full-time" shall mean all Bargaining Unit Members who are regularly scheduled to work thirty-five (35), thirty-seven and one-half (37- 1/2), or forty (40) hours per week. Bargaining Unit Members who are regularly scheduled to work twenty-five (25) hours per week or more shall also be considered full-time, but only for purposes of eligibility for group insurance benefits and tuition reimbursement.

2-3. The term "part-time" shall mean any Bargaining Unit Member who is regularly scheduled to work less than thirty-five (35) hours per week.

2-4. Either full-time or part-time Bargaining Unit Members may be employed on a ten (10) or twelve (12) month basis at the discretion of the District.

2-5. The term "Association" shall mean the Pennsbury Educational Support Professionals Association/PSEA/NEA, its authorized officers and representatives.

ARTICLE 3 - HOURS OF WORK

3-1. The hours of work for each job classification covered by this Agreement will be determined by the administration in accordance with the needs of the District. Work schedules indicating the hours of work for each Bargaining Unit Member or job classification will be promulgated annually in writing by the appropriate building or District level administrator. A Bargaining Unit Member may be required to stay late by the District for reasons of student safety. Such additional time will be compensated at the Bargaining Unit Member's hourly rate.

3-2. Paid hours of work shall be exclusive of a lunch period. The lunch period shall be duty free except for emergency interruptions.

ARTICLE 4 - OVERTIME

4-1. Bargaining Unit Members may volunteer for and, as set forth below, may be required to work overtime at the discretion of the District. The District and the Association shall develop procedures for Bargaining Unit Members to indicate their willingness to volunteer for

overtime work. No overtime shall be worked except as authorized by the appropriate administrator.

4-2. When overtime work is determined by the District to be necessary, Bargaining Unit Members within (1) the building involved (and within the job classification involved) or (2) the trade involved, as appropriate, who have previously indicated that they wish to work overtime, will be offered the overtime on a rotating basis by their District seniority. If no such Bargaining Unit Member will accept the overtime, the District may require any Bargaining Unit Member within the building (and job classification) or trade involved, including those who have not volunteered for overtime, to work the overtime.

4-3. Bargaining Unit Members who volunteer or who are required to perform work in excess of forty (40) hours in any calendar week shall be compensated at the rate of one and one-half (1-1/2) times their regular hourly rate for any such hours actually worked in excess of forty (40).

4-4. There shall be no compensatory time in lieu of overtime pay.

4-5. There shall be no duplication or pyramiding of any premium pay provided under this Article or any other Article of this Agreement. Payment of overtime rates as provided in this Article shall be in lieu of the payment of any other differential or premium rate provided in this Agreement.

4-6. All benefit days, except sick days and family illness days, will be considered as time worked for the purpose of computing overtime.

4-7. Bargaining Unit Members will be compensated at two times their regular hourly rate for actual hours of required emergency work on Sunday or on a paid holiday. This shall be in addition to regular holiday pay.

ARTICLE 5 - PAY PERIODS

5-1. Paychecks will be issued on a bi-weekly basis in accordance with uniform District-wide practice.

5-2. Direct deposit of paychecks will be offered to Bargaining Unit Members with the employee having the option to participate.

ARTICLE 6 - SALARIES

6-1. Base Hourly Wages

6-1.1 Bargaining Unit Members will be employed and classified under one of the position titles listed in Appendix A. The salary schedule for each year of this Agreement is contained in Appendix A.

6-1.2 Placement in a salary column shall be determined by the number of full contract years of service in the District completed by July 1 of the

appropriate contract year, calculated based upon the Bargaining Unit Member's seniority date as maintained in the Office of Human Resources. Placement for new hires shall be in accordance with Section 6-1.3 below. Notwithstanding the foregoing, there will be no credit for years of service as the result of the complete salary and longevity freeze during the 2011-2012 – 2013-2014 time period.

6-1.3 Unless stated otherwise in Section 6-1.4 herein, all Bargaining Unit Members moving through the salary scale shall move based upon the timeframes listed in the columns outlined in Appendix A – Salary Schedules. New hires who are hired before January 1 shall move as of the next July 1. New hires who are hired after January 1 shall move the following July 1.

6-1.4 2011-2012, 2012-2013, and 2013-2014 – There is a complete salary freeze (no step or longevity movement) during contract years 2011-2012, 2012-2013, and 2013-2014.

2017-2018 – 1% salary increase; step/longevity movement; however, there will be no credit for years of service at all for the purposes of step or longevity movement as a result of the complete salary freeze and step/longevity freeze during the 2011-2012 through the 2013-2014 time periods.

2018-2019 – 1% salary increase; step/longevity movement; however, there will be no credit for years of service at all for the purposes of step or longevity movement as a result of the complete salary freeze and step/longevity freeze during the 2011-2012 through the 2013-2014 time periods.

2019-2020 – 1% salary increase; step/longevity movement; however, there will be no credit for years of service at all for the purposes of step or longevity movement as the result of the complete salary freeze and step/longevity freeze during the 2011-2012 through the 2013-2014 time periods.

2020-2021 – 1% salary increase; step/longevity movement; however, there will be no credit for years of service at all for the purposes of step or longevity movement as the result of the complete salary freeze and step/longevity freeze during the 2011-2012 through the 2013-2014 time periods.

2021-2022 – 1% salary increase; step/longevity movement; however, there will be no credit for years of service at all for the purposes of step or longevity movement as the result of the complete salary freeze and step/longevity freeze during the 2011-2012 through the 2013-2014 time periods.

6-2. Longevity

During the 2011-2012, 2012-2013 and 2013-2014 contract years, there shall be no longevity movement recognized, notwithstanding the longevity amount set forth in the chart below. Effective July 1, 2014, and each contract year thereafter, all Bargaining Unit Members having completed the required number of years in service in the Pennsbury School District (seniority exclusive of unpaid leaves of absence) shall be granted the indicated longevity increase amount, which shall be added to the Bargaining Unit Member's base hourly rate in Column F of the appropriate salary schedule each year in accordance with the chart below. Notwithstanding the foregoing, Bargaining Unit Members shall not be entitled to any longevity credit as the result of performing service during the 2011-2012, 2012-2013 and 2013-2014 contract years. Columns after Column F are based upon the language in this section.

(Example: A Bargaining Unit Bargaining Unit Member who had 14 years of experience as of June 30, 2011, will not move to 15 years of experience on the chart until July 1, 2014.)

<i>Years of Service Completed as set forth in this Agreement</i>		<i>Longevity Increase Amount effective July 1, 2014 and thereafter</i>
<i>15 (fifteen) years</i>		\$.25

<i>35 (thirty -five) years</i>		\$.75

6-3. Shift Differential

For regular full-time Bargaining Unit Members, a shift differential of \$.25 per hour will be paid for a full-time second shift and \$.30 per hour for a full-time third shift. Shift differential shall be paid only for "regular" work and only for actual night hours worked. The work times for second and third shifts are established by the Administration, depending on the needs of each specific work area. Typically, there is a day shift (first shift), an evening-night shift (second shift) and a night-early morning shift (third shift).

6-4. Effective on or after July 1, 2013, in the event a permanent Bargaining Unit Member is substituting for another Bargaining Unit Member who has been continuously absent or is temporarily filling a permanent vacancy for twenty (20) consecutive work days, and the Bargaining Unit Member thereafter continues to be employed for one (1) or more additional consecutive days, the Bargaining Unit Member shall receive the rate of pay for the job classification in which he/she is substituting or continue to receive his/her own rate of pay, whichever is higher, retroactive to the first such day worked. A paid benefit day will not constitute a break in service and any such paid benefit days taken by the Bargaining Unit Member would be at the lower of the two (2) rates.

ARTICLE 7 - UNIFORMS

7-1. Any Bargaining Unit Member who is required by the District to wear a uniform and/or work boots shall be reimbursed by the District as follows:

- 7-1.1 Full-time Bargaining Unit Members working in the Maintenance Department or Bus Garage and required to wear work boots will be reimbursed at the rate of up to one-hundred forty dollars (\$140.00) for each year of this Agreement, upon submission of the Bargaining Unit Member's receipts of purchase for required uniforms.
- 7-1.2 Other full-time Bargaining Unit Members required to wear uniforms will be reimbursed at the rate of up to one-hundred dollars (\$100.00) for each year of this Agreement, upon submission of the Bargaining Unit Member's receipts of purchase for required uniforms.

- 7-1.4 Carry-forward amounts from the current contract year that are not spent by the end of the next contract year will be forfeited.
- 7-1.5 For accounting purposes, purchases in the next contract year will be charged against the carry forward amount first, before being charged against that year's uniform allowance amount.
- 7-1.6 The District will provide all part-time cleaners with three (3) uniform t-shirts each year. Where appropriate, all designated full and part-time Bargaining Unit Members must wear the designated uniform shirt every day. If regulations or restrictions regarding uniforms are changed, the affected Bargaining Unit Members will be notified prior to the beginning of the contract year.

ARTICLE 8 - PARAPROFESSIONALS

8-1. The District shall create two (2) job classifications from the existing "Paraprofessional Special Ed" classification: Paraprofessional I and Paraprofessional II.

8-2. A Paraprofessional shall be eligible to be classified as a Paraprofessional II if that Paraprofessional is assigned to work in a 1-to-1 relationship with a student with a diagnosis that results in a placement in an Emotional Support ("ES") or Autism Support ("AS") program as initiated through the Individualized Education Program process specifically to address challenging physical behaviors.

8-3. The Director of Special Education or his/her designee shall make all assignments regarding Paraprofessional II designation in his/her sole discretion. Paraprofessional IIs shall not be subject to bumping procedures.

8-4. Paraprofessional IIs shall be included on the Appendix A Salary Schedules at a rate of pay equal to that of a Paraprofessional I plus \$0.75 per hour.

8-5. In the event a Paraprofessional I is substituting for a Paraprofessional II who has been continuously absent or is temporarily filling a permanent vacancy for at least three (3) contiguous full work days, after completion of the third contiguous day, the Paraprofessional I shall receive the rate of pay of a Paraprofessional II retroactive to the first such day worked. A paid benefit day will not constitute a break in service and any such paid benefit day taken by the Paraprofessional I would be compensated at the lower of the two (2) rates.

8-6. In the event a Paraprofessional II is temporarily assigned to Paraprofessional I duties due to absence of the Paraprofessional II's assigned student from school, the Paraprofessional II will continue to receive the rate of a Paraprofessional II during any such absence and alternative duties. Should the student permanently leave the District, assignment will be in accordance with the provisions of Section 8-3.

ARTICLE 9 - EDUCATION TECHNOLOGY ASSOCIATES

9-1. The "Education Technology Associate" job classification ("ETA") will be maintained at the secondary level through the 2016 – 2017 contract year and at the elementary level through the 2017 – 2018 contract year.

9-2. Any furloughed Bargaining Unit Member holding an ETA position shall be able to transfer into any available vacant Bargaining Unit position for which the Bargaining Unit Member is qualified at the time of furlough.

9-3. If no vacant position exists, the Bargaining Unit Member shall have recall rights to the first available position for which the Bargaining Unit Member is qualified.

9-4. If the Bargaining Unit Member refuses this position, the recall rights are forfeited.

10-3. Changes in reimbursement shall be effective on December 1st following the IRS announcement.

ARTICLE 11 - TUITION REIMBURSEMENT

11-1. The District will reimburse full-time Bargaining Unit Members in any of the various departments an amount equal to 80% of the cost of tuition and course materials with a maximum reimbursement to any one employee of \$750 for each contract year. Courses taken must relate to the Bargaining Unit Member’s job description and duties performed, be required in order to obtain a degree, or be required for special certification or licensing. Courses or credits leading to a degree sought must be relative to potential employability of the Bargaining Unit Member within the District.

11-2. In order to be reimbursed the Bargaining Unit Member must obtain prior approval from the Director of Human Resources or his/her designee for the course to be taken and must receive a grade of C or better. Supportive data for reimbursement must be submitted within thirty (30) days of completion of the course. Bargaining Unit Members who are reimbursed for tuition shall be required to refund to the District the amount of reimbursement received if the Bargaining Unit Member resigns from the District within one (1) year of completion of the courses.

12-2. Vacation eligibility applies only to full-time twelve (12) month Bargaining Unit Members.

12-3. All vacation periods will be governed by administrative regulation in order to provide for efficient operations. Prior supervisory approval is necessary before any vacation may be taken. It is permissible for full-time Bargaining Unit Members to take a one-week vacation during the school year, subject to supervisor’s approval, the availability of qualified substitutes, and the existing work load. If more than one Bargaining Unit Member requests vacation on the same day for the same date(s) and not all requests for that date(s) can be granted, seniority will determine the priority for approval for vacation for that date(s).

12-4. Unused vacation cannot be accumulated or carried over from year to year. In order to receive vacation accrual for the current contract year, employees must be on active payroll on August 31st.

A Bargaining Unit Member will be eligible to receive this benefit upon retirement with at least ten (10) years of service with the District.

14-5. Vision Allowance

The District will contribute \$130.00 annually for each contract year to the full-time Member's 125 Flexible Spending Plan for the Bargaining Unit Member to use for vision reimbursement, unreimbursed medical costs, and other expenses covered by the 125 regulations.

ARTICLE 15 - SECTION 125 FLEXIBLE SPENDING PLAN

The District will provide a Section 125 Benefits Plan to the extent permitted by the Internal Revenue Code.

ARTICLE 16 - BEREAVEMENT LEAVE

16-1. The Board will grant to any Bargaining Unit Member a leave of absence with regular pay for up to five (5) days contiguous to the death of any member of the immediate family of the Bargaining Unit Member. Such leave may be delayed if the burial is delayed. A request for non-contiguous days for exceptional circumstances may be made, and the District shall not unreasonably deny such an accommodation. The District reserves the right to request proof of such delay or exceptional circumstances. Members of the immediate family shall be defined as husband, wife, father, mother, brother, sister, son, daughter, step-father, step-mother, step-brother, step-sister, grandchild, parent-in-law, son-in-law, daughter-in-law or near relative who resides in the Bargaining Unit Member's household.

16-2. A Bargaining Unit Member shall be granted a leave of absence for the day of the funeral in the event of the death of a near relative. A near relative shall be defined as a first cousin, grandfather, grandmother, aunt, uncle, niece, nephew, brother-in-law or sister-in-law of the Bargaining Unit Member or the Bargaining Unit Member's spouse. If attendance at a funeral requires travel in excess of one hundred fifty (150) miles up to two (2) additional days may be granted if necessary.

16-3. For all leave requests under this section, Proof of death (such as an obituary notice) and relationship to the deceased shall be provided to the Bargaining Unit Member's supervisor.

16-4. In calculating Bereavement Leave, the District shall not count weekend days but shall count scheduled paid and unpaid school holidays and unscheduled District-wide shutdown days.

ARTICLE 17 - CHILD REARING LEAVE

17-1. A Bargaining Unit Member who is expecting the birth or adoption of a child, and who wishes to continue employment, may be granted a child rearing leave of absence without pay.

17-2. Requests for approval of such leaves of absence without pay must be made, in writing, to the District Superintendent with as much advance notice as possible, but at least sixty (60) days prior to the requested effective date of the leave.

17-2.1 The written request for child rearing leave shall specify the expected date of birth or adoption of the child and shall specify the proposed inclusive dates of the leave.

17-2.2 The effective date requested shall be the expected date of birth or adoption of the child or a date reasonably prior or subsequent thereto.

17-3. Approval of a request for child rearing leave of absence shall be at the sole discretion of the Board. Notification in writing of the Board's disposition of a request for child rearing leave shall be given not later than thirty (30) days prior to the requested effective date of the leave. The notification will specify an approved effective or beginning date and an approved termination or ending date for the leave.

17-4. The maximum period of the leave shall be a period of one (1) year after the leave has begun. Requests for an extension for an additional period of up to one (1) year may be granted at the sole discretion of the District.

17-5. A Bargaining Unit Member who has been granted a child rearing leave of absence and who wishes to terminate the leave prior to the approved termination date may request approval of an earlier termination date. A request for an early termination of an approved child rearing leave must be made in writing to the office of the District Superintendent at least sixty (60) days prior to the new termination date requested. The reasons for requesting an early termination must be stated in the request. A Bargaining Unit Member who has been granted a period of child rearing leave must give notice of intention to return to the office of the District Superintendent no later than sixty (60) days prior to the date of return.

17-6. Upon termination of the leave the District shall reinstate the Bargaining Unit Member to the job held prior to the leave, or to a substantially equal position if such jobs are vacant and available. If such jobs are not vacant and available, the District may offer the Bargaining Unit Member any other available position for which the Bargaining Unit Member is eligible. A Bargaining Unit Member returning from child rearing leave shall not forfeit any seniority or any other rights accrued prior to the leave, but such rights shall not continue to accrue during the leave.

17-7. Bargaining Unit Members granted child rearing leave may be allowed to remain a member of District group insurance plans, including life insurance, medical insurance, dental insurance, prescription drug insurance and vision insurance plans, during the leave at their own expense, subject to approval of the carrier(s), if they request that they be allowed to remain a member of the plans at the time that they request child rearing leave. The District may require that such Member prepay to the District the entire premium for their participation in the plans one (1) month prior to the effective date of the leave. In any event, because the District pays premiums one (1) month in advance, the Bargaining Unit Member must submit payment to the Office of Human Resources of at least one (1) month's premium in advance.

ARTICLE 18 - SICK LEAVE

18-1. Sick leave will be granted at the rate of twelve (12) days per year for twelve (12) month Bargaining Unit Members and ten (10) days per year for ten (10) month Bargaining Unit Members, who work five (5) or more hours per day, accumulative without limit. Part-time Bargaining Unit Members working 4.0 to 4.9 hours per day will receive eight (8) days sick leave per year, accumulative without limit. Hourly Bargaining Unit Members working less than four (4) hours per day will receive five (5) days sick leave per year, accumulative without limit.

18-2. The District reserves the right to require a doctor's certificate for any absence due to illness. Absences for illness during a Bargaining Unit Member's probationary period will require a physician's statement before payment will be made for such absence. These certificates must be forwarded to the District Office of Human Resources upon return to work in order for the Bargaining Unit Member to be paid. Absences requiring payroll deductions will be made by dividing the annual rate by the number of days employed during the year.

18-3. Bargaining Unit Members must work at least one (1) day in the new school year in order to re-establish sick leave eligibility at the beginning of a contract year. Sick leave will be pro-rated for the year that employment with the District ceases or a Bargaining Unit Member takes an unpaid leave of absence.

18-4. The District will provide paid leave for the first five (5) days absence in any one (1) contract year due to the illness of members of the Bargaining Unit Member's immediate family as defined in Article 16, 16-1. Such payment shall be limited to the Bargaining Unit Member's available sick leave days, as follows:

18-4.1 Up to five (5) days of such absence shall be deducted from the Bargaining Unit Member's available sick leave days, if any.

18-4.2 In the event of extended family illness, the Bargaining Unit Member may request in writing an extension of his/her sick days if needed to cover such an absence.

18-4.3 The District reserves the right to require a doctor's certification for any absence due to use of sick leave days for a family illness. All additional requirements of Section 18-2 related to doctor's certificates shall also be applicable to absences for family illness.

18-5. Abuse of sick leave will result in disciplinary action which may include pay deductions and/or dismissal from employment.

18-6. In the event a Bargaining Unit Member contracts a childhood illness and is prevented from fulfilling his/her duties, upon certification from a physician stating the nature of the illness on forms provided by the District, the District shall continue to make salary payment to the Bargaining Unit Member, without deduction from sick leave entitlement. Childhood illnesses shall be defined as rubella (measles), epidemic parotitis (mumps), varicella (chicken pox), rubella (german measles), conjunctivitis (pink eye), scabies, and pediculosis. However, Bargaining Unit Members will receive this benefit only upon documenting that a student within their assigned classroom or with whom they have had direct contact in school has the illness in question. A doctor's certificate shall be required when leave is taken under this section.

18-7. Retirement Allowance

Full-time Bargaining Unit Members retiring from the District and taking a pension under PSERS, shall receive payment for unused accumulated sick leave days based on the following schedule:

\$50 per day from the first day for 125 days or more

\$30 per day from the first day for less than 125 days

Part-time Bargaining Unit Members will receive one-half (1/2) the dollar amount listed above for full-time employees.

18-8. Separation Allowance

All Bargaining Unit Members with three (3) or more years of service and who do not qualify for the retirement allowance above and who will be separating from continuous service with the District will be granted payment for unused accumulated sick leave days based on the following schedule:

\$14 per day from first day for 85 days or less.

\$17 per day from first day for 86 to 125 days.

\$20 per day from first day for 126 to 150 days.

\$23 per day from first day for 151 to 175 days.

ARTICLE 19 - SICK LEAVE BANK

A Sick Leave Bank is available to all full-time Bargaining Unit Members. The regulations are as follows:

19-1. Membership

19-1.1 Membership in the Bank shall be voluntary for all full-time (five (5) or more hours per day) Bargaining Unit Members. The Bank shall remain in effect as long as at least fifty-five percent (55%) of the Bargaining Unit Members choose to belong. Bargaining Unit Members become eligible for membership upon successful completion of the probationary period.

19-1.2 To become a participating member of the Sick Leave Bank, an eligible Bargaining Unit Member must submit an application form (PAY-011) upon completion of their probationary period. A contribution of one (1) sick day shall be required for initial membership.

19-1.3 Bargaining Unit Members joining the Bank in subsequent years will be required to contribute one (1) day for each year that they were eligible to be a member of the Bank. Bargaining Unit Members who join the Sick Leave Bank more than thirty (30) days beyond the time of initial membership eligibility will not become eligible for benefits from the Bank for one year beyond the time they become members of the Sick Leave Bank.

- 19-1.4 Sick Bank members annually will contribute one (1) day of accumulated sick leave to the Bank. Additional contributions of one (1) day or more per member shall be required of all members if Bank days fall below the minimum of seven hundred fifty (750) days.
 - 19-1.5 In the event contributed days become depleted during the operation of the Bank, the Bank Committee may, with the approval of the Business Administrator, assess further contributions against its members or suspend operation of the Bank until the beginning of the next year (July 1).
 - 19-1.6 Contributed days shall remain in the Bank and may not be withdrawn by a Bargaining Unit Member upon retirement, resignation, or withdrawal from the Bank.
- 19-2. Qualification for Use of the Sick Leave Bank
- 19-2.1 Bank benefits shall be available to any member for illness or disability normally covered by sick leave except the following: Bargaining Unit Members on child rearing leave of absence or long term leaves of absence except extended sick leave.
 - 19-2.2 Initial withdrawal of Bank benefits shall not commence until a member has exhausted all of his/her accumulated sick days.
 - 19-2.3 In order to apply for Sick Bank Benefits, Bargaining Unit Members must complete the Sick Bank Request Form two (2) weeks prior to exhausting his/her own accumulated sick leave, when possible.
 - 19-2.4 Approval for non-consecutive use of Sick Bank Benefits must receive prior approval by the Sick Bank Committee.
- 19-3. Review of Cases
- 19-3.1 All cases shall be reviewed for (final) decision by the Sick Leave Bank Committee.
 - 19-3.2 Confidentiality – The Sick Leave Bank Committee shall take all necessary steps to insure the confidentiality of its decisions and information provided by the Bargaining Unit Member or their physician.
 - 19-3.3 Certification by Physician:
 - a. The Sick Leave Bank Committee shall require certification by a physician or the District Employee Assistance Program to verify need for Sick Leave Bank days. The certification must include diagnosis, prognosis, treatment and anticipated date of return.

- b. The Sick Leave Bank Committee may require the applicant to provide subsequent certifications from the physician, Employee Assistance Program or a physician of the Committee's choice. Expense, if any, of securing the subsequent certification shall be borne by the member applicant.
- c. The Sick Leave Bank Committee shall apply these guidelines equitably and uniformly to all applicants.

19-3.4 Any Sick Leave Bank members who appeal a decision of the Sick Leave Bank Committee must do so in writing to both the Association President and the Sick Leave Bank Committee.

19-3.5 The Association Executive Board and the Sick Leave Bank Committee will review all appeals for a final decision.

19-4. Distribution of Days by the Sick Leave Bank

19-4.1 Maximum withdrawal from the Bank shall be equal to the balance of the Bargaining Unit Member's sick days prior to the beginning of the illness plus any days contributed to the Bank. The maximum withdrawal shall not exceed one hundred (100) days in any one contract year or for any one illness. One illness shall mean continuous absence or absence not interrupted by sixty (60) calendar days return to work. During this sixty (60) day period the Bargaining Unit Member will be on the original claim if illness occurs. After this sixty (60) day period, a second claim will be filed.

19-4.2 Once the Bargaining Unit Member uses Sick Bank days, the number of days the Bargaining Unit Member has contributed to the Bank reverts to zero (0) and begins accumulating each year thereafter. If the Bargaining Unit Member does not use all of the allocated Sick Bank days for an illness, the days contributed by the Bank are returned to the Bank. If the number of days the Bargaining Unit Member contributed to the Bank is equal to more than the number of days returned, the balance of these days may be used for a subsequent claim.

19-4.3 Maximum withdrawal for subsequent Sick Bank claims shall be equal to the balance of the Bargaining Unit Member's sick days prior to the beginning of the illness plus any days contributed to the Bank that have not been used by a previous Sick Bank claim.

19-4.4 Once a Bargaining Unit Member exhausts the total days allotted by the Sick Bank, they may request donated days to a maximum of sixty-five (65) days. However, the Bargaining Unit Member must exhaust all but five (5) of their combined personal and vacation days prior to using donated days.

19-4.5 A member of the sick bank may donate sick days to or receive donated sick days from any other Pennsbury employee in accordance with the terms and conditions of the applicable Sick Leave Bank.

19-4.6 A Bargaining Unit Member utilizing Sick Leave Bank days must return to work for a period of days equal to the number of days taken from the Sick Leave Bank. Should the Bargaining Unit Member not return for the minimum required period, the Bargaining Unit Member shall reimburse the District the difference between the amount paid as sick leave and the payments outlined in Sections 18-7 and 18-8 of this Agreement for each Sick Leave Bank day not offset by a day worked after return to the District from leave.

19-4.7 Exceptions will be made for Bargaining Unit Members who are unable to return to work because of serious illness or disability; relocation of spouse or significant other to a location which would make it impossible or impracticable for the Bargaining Unit Member to continue to work for the District, or to care for a sick parent, spouse, child, etc., as defined by the Family and Medical Leave Act. Documentation shall be required for all requests for exceptions. A medical professional will be required to certify all medical exceptions.

19-5. Sick Bank Committee

19-5.1 The Sick Leave Bank Committee shall consist of the Director of Human Resources and the Payroll Supervisor and two (2) representatives selected by the Association.

19-5.2 A minimum of three of the members must be in attendance during the claim(s) review process.

ARTICLE 20 - REPORTING DURING DISTRICT-WIDE SHUTDOWNS

20-1. The District shall issue annually a memorandum indicating which Bargaining Unit Members shall be considered Essential Employees for the purposes of District-wide shutdowns. A District-wide shutdown is an available work day on the District calendar that is not a defined Holiday under Article 13 of this Agreement that the District is closed and only Essential Employees may be required to report (including weather-related closures, energy savings days, and other emergency or non-emergency closures).

20-2. For Essential Employees:

20-2.1 In the event of a District-wide shutdown, Bargaining Unit Members required to report will be compensated at a rate equal to one-and-one-half the normal hourly rate for the time required by the District.

20-3. For 12-Month Non-Essential Employees:

20-3.1 In the event of a District-wide shutdown, 12-Month Bargaining Unit Members not required to report will not lose any compensation from the salaried position.

20-4. For 10-Month Non-Essential Employees:

20-4.1 In the event of a District-wide shutdown, 10-Month Bargaining Unit Members not required to report will have a corresponding work day rescheduled to a different date on the District calendar corresponding to a rescheduled Student Day.

ARTICLE 21 - PERSONAL LEAVE

21-1. Bargaining Unit Members may be granted time off when it is necessary to conduct personal affairs. Prior supervisory approval after a request is presented in writing is necessary for such absence. Bargaining Unit Members are required to inform their supervisors at least twenty-four (24) hours in advance of use of a personal leave day whenever possible. Bargaining Unit Members will be paid for the time lost from work. A maximum of three (3) days per contract year may be granted for such personal affairs, pro-rated for the last year of employment or if the Bargaining Unit Member takes an unpaid leave of absence during a year. Unused personal leave days will not be cumulative.

21-2. Probationary Bargaining Unit Members will not be eligible for personal leave until after the completion of the probationary period.

21-3. Personal leave days are discouraged from being used to extend paid or non-paid holidays or vacation periods. If a Bargaining Unit Member is requesting use of one (1) day immediately preceding or following a scheduled school vacation for non-emergency purposes, the Bargaining Unit Member shall notify the Superintendent or his/her designee ten (10) days in advance of the selected day. If a Bargaining Unit Member is requesting use of one (1) day immediately preceding and one (1) day immediately following a scheduled school vacation for non-emergency purposes, the Bargaining Unit Member shall submit a request in writing to the Superintendent or his/her designee at least ten (10) days in advance of the first selected day for approval of one (1) of the two (2) selected days. The Bargaining Unit Member shall indicate for which of the two (2) days approval is sought. As long as the District is able to maintain normal operations, no request will be unreasonably denied. Requests will be considered based on order of receipt by the District. No more than ten percent (10%) of the Bargaining Unit shall be granted personal leave on any one (1) day. Only two (2) personal leave days will be allowed between May 15th and the end of the school year of each contract year. Exceptions may be granted in the event of an emergency. At the conclusion of each contract year, unused personal leave days shall automatically be converted into unused sick leave and shall be credited to the Bargaining Unit Member's accumulated unused sick leave.

ARTICLE 22 - LEAVE WITHOUT PAY

22-1. Leaves of absence without pay for justifiable emergencies or personal reasons may be granted to a Bargaining Unit Member, depending upon the circumstances involved and subject to whatever arrangements regarding return to active employment are approved by the supervisor and the Director of Human Resources or his/her designee. Such leave shall not exceed one (1) calendar year. A leave of absence to extend an approved vacation will not be considered an emergency.

22-2. One (1) leave of absence is permitted per contract year. Bargaining Unit Members must work one (1) full contract year before being eligible for another leave of absence.

22-3. Bargaining Unit Members on authorized leave pursuant to this Article, shall not be considered to be active employees of the District during the period of the leave and shall not be entitled to any benefits which are granted to active employees. Bargaining Unit Members may be allowed to remain a member of district group insurance plans during the leave at their own expense, subject to approval of the carrier(s). Because the District pays premiums one month in advance, the Bargaining Unit Member must submit monthly premium payments to the Business Office at least one month in advance of the date that each premium payment is due.

22-4. Bargaining Unit Members on leave of absence pursuant to this Article shall neither lose nor accrue seniority during the leave without pay. It is understood and agreed that such Bargaining Unit Members on leave of absence will not accrue service time for the purposes of seniority as the result of furloughs or for other purposes within this Agreement.

22-5. The Superintendent may recommend to the Board an extension of leave under this Article on a case-by-case basis.

ARTICLE 23 - JURY DUTY

23-1. A Bargaining Unit Member who is summoned for jury duty shall make request for a leave of absence immediately upon receipt of notice of jury duty service.

23-2. A Bargaining Unit Member granted leave for jury duty shall be paid his regular salary provided that the compensation for jury service received from the court has been turned over to the District. Prior to receipt of payment the Bargaining Unit Member shall be required to present a statement issued and signed by the Clerk of Court stating the number of days the Bargaining Unit Member was on jury duty and the compensation paid.

ARTICLE 24 - WORK RELATED INJURIES

24-1. The Board agrees to maintain in force during the term of this Agreement workers' compensation insurance as required by law.

24-2. Bargaining Unit Members suffering injuries during the course of their employment shall immediately report such injury to the building principal or immediate supervisor.

24-3. A Bargaining Unit Member off work due to a work related injury or illness shall have the option to receive:

24-3.1 Worker's compensation insurance payments, or

24-3.2 Combine worker's compensation and sick leave benefits. Under such option, Bargaining Unit Members will receive two-third salary in the worker's compensations benefit and one-third salary from the District. It will not be necessary for the Bargaining Unit Member to return the worker's compensation check to the District. The Bargaining Unit Member will also be charged one-third sick day for each worker's comp day.

24-3.3 While a Bargaining Unit Member is on workers' compensation, a Bargaining Unit Member's vacation days that would ordinarily be lost by the Bargaining Unit Member on or after July 1, 2013 will be rolled into accumulated sick leave at a rate of three (3) vacation days equaling one (1) sick day.

24-4. Bargaining Unit Members shall notify the District of payments received pursuant to worker's compensation insurance.

24-5. Following exhausting of the Family Medical Leave Act entitlement, a Bargaining Unit Member unable to work due to a work related illness or injury and who exercises option 24-3.2. above, and who otherwise is eligible for group insurance, shall be covered by all insurance provisions of this Agreement so long as exercising said option. If exercising option 24-3.1 above, a Bargaining Unit Member shall receive "employee only" benefits for a period not to exceed six (6) months. Should a Bargaining Unit Member exercising option 24-3.2. exhaust all accumulated sick leave, he/she shall receive "employee only" benefits for an additional period not to exceed six (6) months. Should a Bargaining Unit Member switch between the options above, he/she may not receive "employee only" benefits more than one time. At the end of either six (6) month period, the Bargaining Unit Member shall return to work or resign, and upon failure to do either may be terminated at the Board's discretion.

ARTICLE 25 - GRIEVANCE PROCEDURE

25-1. Definitions and General Procedures

25-1.1 Grievance

Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement shall be settled in the manner provided in this Article.

25-1.2 Workday

The term "days" when used in this Article shall mean work days when the District administrative offices are open for business.

25-1.3 Time Limits

Since it is important that a grievance be processed as rapidly as possible, the number of days indicated at each level shall be considered a maximum. Failure to appeal the grievance at any step of the procedure within the prescribed time limit will make the grievance void and the decision at the previous step shall be final. By mutual agreement extensions to the time limits prescribed herein may be made at any step of the procedure. Requests for extensions shall not be unreasonably denied.

Failure to communicate a decision at any step of the procedure within the specified time limits shall permit it to be advanced to the next higher step.

25-1.4 Initiation of Grievance

All grievances shall be presented as soon as practicable after the occurrence upon which the same is based, but in no event later than ten (10) days. Failure to submit a grievance in writing within such a period shall constitute a bar to further action thereon.

25-2. Procedure

Step One

The grievant or the Association representative may present the grievance in writing to the supervisor within ten (10) days after the occurrence on which the grievance is based. Such written grievance shall contain the date of occurrence upon which the grievance is based, a description of the occurrence, sections or provisions of the Agreement involved and the remedy sought. The supervisor shall respond in writing to the grievance within ten (10) days of its presentation in writing.

Step Two

In the event the grievance is not resolved at Step One, the appeal must be presented in writing by the grievant or Association representative to the Director of Human Resources or his/her designee, within five (5) days after the supervisor's response. The Director of Human Resources or his/her designee, shall attempt to resolve the grievance and shall render a written decision within ten (10) days after the submission to Step Two.

Step Three

If the grievance is not resolved by the written decision at Step Two, it may be appealed in writing by the grievant or Association representative within five (5) days of the date of the response at Step Two. The appeal shall be submitted to the Superintendent and shall include a copy of the grievance. Either party may request a conference concerning the grievance which will be held on a date of mutual agreement. The Superintendent shall render a written decision within fifteen (15) days after submission to Step Three.

Step Four

If the grievance is not resolved by the decision at Step Three, it may be appealed in writing to the Board within ten (10) days of the Step Three decision by the Association. The Board shall respond in writing not later than ten (10) days after the next regularly scheduled Board meeting. The Association or the Board may request a hearing relative to the grievance at Step Four of the Grievance Procedure. The parties will mutually agree as to the date and time of the hearing.

Step Five

In the event the decision at Step Four fails to resolve the grievance, an appeal may be initiated by the Association serving notice upon the Superintendent of the intent to proceed to arbitration. Said appeal shall be submitted within ten (10) days after the decision at Step Four.

The arbitrator shall be selected by the parties from a list of arbitrators submitted by the Pennsylvania Bureau of Mediation, by alternately striking names from the list, with the Board striking the first name. Cost of the arbitrator shall be shared equally by the parties.

Each case shall be considered on its merits and the collective bargaining agreement shall constitute the basis on which the decision shall be rendered. The arbitrator shall first rule on the arbitrability of the grievance, if so requested. The arbitrator shall be without jurisdiction to render an award contrary to law or to add to, modify, vary, change or remove any term of this Agreement. The arbitrator shall be requested to render his decision in writing within thirty (30) days of the date of the hearing unless otherwise mutually agreed by the parties.

25-3. Miscellaneous

25-3.1 All grievance activities shall be conducted outside the normal working day unless otherwise mutually agreed.

25-3.2 In the event any Bargaining Unit Member or the Association exercises any right of appeal to a court or an administrative agency concerning a subject appropriate for a grievance under the provisions of this Article, they shall be deemed to have waived their right to bring a grievance based upon the provisions of this Article or the occurrence which is the basis of such an appeal, and any such grievance already instituted shall be barred from further processing if such an appeal is filed. In the event that the court or agency defers to the grievance procedure, the grievance may subsequently be processed.

25-3.3 Nothing in this Article shall prevent the parties from settling an alleged grievance to their mutual satisfaction at any step prior to the issuance of the arbitrator's decision.

25-3.4 The grievant has the right to be represented at all stages of the grievance procedure by a person selected or approved by the Association. When an employee is not represented by the Association, the Association shall have

the right to be present and to state its views at all stages of the grievance procedure.

25-3.5 Grievance files shall not be placed in nor become part of an employee's personnel file.

ARTICLE 26 - MEET AND DISCUSS COMMITTEE

26-1. The District and the Association shall each designate a reasonable number of representatives, not to exceed six (6), to a meet and discuss committee which shall meet at the request of either party at reasonable times by mutual agreement.

26-2. Meetings of the committee shall be conducted in accordance with the meet and discuss provisions of the Public Employee Relations Act.

26-3. Committee meetings shall be held at a time outside the normal work day, except where otherwise mutually agreed.

ARTICLE 27 - PERSONNEL FILES

Each Bargaining Unit Member shall have the right to review the District personnel file applicable to him/her in accordance with District policies.

ARTICLE 28 - SENIORITY

28-1. Definition and Guidelines

28-1.1 Seniority shall be defined as a Bargaining Unit Member's length of continuous service with the District since the Bargaining Unit Member's most recent date of hire, regardless of whether the Bargaining Unit Member has changed job classifications since the most recent date of hire. Seniority lists will be, by October 1 of each year of this Agreement, sent to the Association President. The lists shall include the names of all Bargaining Unit Members, job classification, most recent date of hire, and building or work site assignment.

28-1.2 In the event of a layoff or reduction in force, layoffs within a job classification shall be on the basis of the Bargaining Unit Member's seniority date. Layoff will occur in reverse order of seniority within the job classification with the most junior person furloughed first. Recall will be in order of seniority. The last Bargaining Unit Member to be furloughed will be the first one recalled.

Recalls and vacancies posted must be filled by current Bargaining Unit Members within the job classification until all furloughed Bargaining Unit Members are returned to active employment and before vacancies can be put out to the entire Bargaining Unit.

28-1.3 Bargaining Unit Members who are laid off shall retain their seniority for a period of two (2) years following the date of layoff.

28-1.4 Seniority and all rights under this contract shall be lost by a Bargaining Unit Member for any of the following reasons:

- a. Voluntary quit or resignation.
- b. Discharge.
- c. Failure upon recall from layoff to report to work within five (5) work days.
- d. Retirement.
- e. Failure to return from an approved leave of absence.
- f. Remaining on layoff status for period in excess of two (2) years.
- g. Absence for three (3) consecutive work days without notifying the District unless failure to do so is beyond the Bargaining Unit Member's control.

ARTICLE 29 - SUBCONTRACTING

29-1. From June 30, 2017, until June 29, 2022, the Pennsbury School District will not be able to engage in any further subcontracting of Bargaining Unit work, unless: (1) there are no reasonably available qualified individuals to fill the position; (2) there are emergent reasons to fill a position quickly, particularly when there is no qualified individual available; (3) unless the Bargaining Unit agrees to such subcontracting of services; or (4) unless there has been a historical practice of subcontracting that work through outside agencies.

29-2. This provision will sunset on June 29, 2022, and effective June 30, 2022, the District will not be limited by this subcontracting language.

29-3. Further, notwithstanding the foregoing, during the time period of June 30, 2017 until June 29, 2022, the District agrees that it will not reduce any Bargaining Unit Bargaining Unit Member's hours for the sole purpose of saving on the payment of health care benefits.

ARTICLE 30 - PROBATIONARY PERIOD

30-1. A Bargaining Unit Member is probationary during the first three (3) calendar months of employment.

30-2. A Bargaining Unit Member may be terminated at any time up to the conclusion of the probationary period at the discretion of the District.

30-3. Thereafter, the Bargaining Unit Member shall be considered a regular employee of the District and shall acquire seniority status back to the date of employment.

30-4. At its discretion, the District may extend the probationary period for up to an additional three (3) calendar months of employment.

30-5. The decision to extend a Bargaining Unit Member's probationary period will not be arbitrary or capricious.

ARTICLE 31 - DISCIPLINE AND DISCHARGE

31-1. The District shall not discharge or discipline a Bargaining Unit Member without just cause.

31-4. Discipline involving twenty-nine (29) days suspension or fewer cannot be used to support progressive discipline if issued five (5) or more years prior to the date of the discipline at issue.

31-5. It is agreed that all notations, other than those relating to prior discipline, placed in a Bargaining Unit Member's personnel file, whether positive or negative, shall not be used or relied upon by either party if issued three or more years prior to the date of the discipline then at issue.

ARTICLE 32 - JOB POSTINGS

32-1. Permanent vacancies in Bargaining Unit positions, including transportation, which will be filled by the District will be posted on bulletin boards and on the District's website for a period of five (5) working days prior to filling to allow interested Bargaining Unit Members an opportunity to apply. Consideration will be given to applications from current Bargaining Unit Members prior to those from outside the District. The District, in its sole discretion, may waive the interviews of current Bargaining Unit Members, if such an interview for a position within the same job classification has occurred in the last 90 days. Transportation (bus driver and transportation aide) positions will be filled immediately following closing of the posting period by selection of the senior bus driver/aide interested in the position in accordance with current practice. For all other positions, substitutes shall not be used to temporarily fill permanent vacancies for more than twenty (20) work days.

A current Bargaining Unit Member applicant who is not selected for a position shall, upon his/her request, meet with the appropriate supervisor to receive an explanation of why he/she was not selected for the available position. Selection criteria shall not be arbitrary or capricious.

32-1.1 All vacancies, be they temporary or permanent, will be filled as expeditiously as possible. The time limits for filling vacancies are for the purpose of posting, interviewing and training. There may be exceptions to this time frame caused by unusual circumstances in finding a replacement or releasing a Bargaining Unit Member from a current position. If this occurs, the Director of Human Resources will communicate the situation to the Association and the Association agrees that the time frames may be extended.

32-1.2 Prior to the beginning of each school year, transportation late runs will be posted and bid on in order of seniority.

32-2. Management reserves the right to transfer Bargaining Unit Members between departments or buildings. Vacancies which are posted may be filled by transfer during the time they are posted. The Association will be notified of all such transfers and the Bargaining Unit Members affected will be personally notified of the reasons therefore.
